

EMPLOYEE ENGAGEMENT SURVEYS

Create a happier, more productive workforce

With Zenefits Employee Engagement Surveys, People teams can get actionable insights to boost employee sentiment and morale.

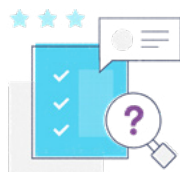

Prepping for Open Enrollment? Use our new Open Enrollment survey template to collect benefits feedback from your employees!

OWN EMPLOYEE ENGAGEMENT AND MEASURE THE IMPACT OF HR

A consolidated system lets you save on costs and streamline your approach to employee feedback. Quickly create your own surveys or use proven pre-populated survey templates, and automated communications.

TURN INSIGHTS INTO ACTION, AND IMPROVE EMPLOYEE SATISFACTION

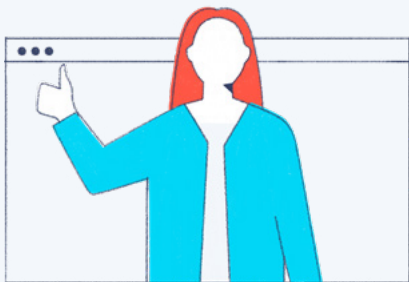

Uncover the whole story on employee sentiment by tying together everything from compensation to feedback and goals. Leverage benchmarking to see how you stack against industry standards, and drill into demographics to advance your culture and promote inclusivity.

EMPOWER EMPLOYEES TO SHARE THEIR VOICE AND DRIVE CHANGE

Give your employees the voice to spark change and improve your business. With an intuitive experience across mobile and desktop employees can easily opt in and feel heard.

Scale and simplify employee engagement

Key highlights

- ✓ Filter results by employee demographics to identify populations with low engagement, and recognize where to best invest your time
- ✓ Share insights and results with managers to reinforce your goals and focus your impact to improve employee engagement
- ✓ View answers on a question-by-question basis to understand key drivers of engagement or disengagement with your workforce
- ✓ Visualize the impact your HR programs are making and double-down your efforts where it matters
